“ *I am so sorry for your loss. Our families have been close for more years than I can remember. We all have good memories to look back on. Loading the dirt bikes in the trailer and heading to parts unknown for a great day of riding. All the long snowmobile rides and so many more great memories. Feel comfort knowing he is up there with the rest of the gang riding on. I love you Mrs. Bridle and Muriel.*

“ *I have so many wonderful memories of Mr. B. I hope he and my parents are together again having fun and raising some hell as they used to back in the day. Lots of love to you Mrs. B and Muriel.*
