Love Dominic, Deborah, David, and Nicole - June 20, 2023 at 10:17 AM

“ One year for Thanksgiving my mom and two nieces & my two boys & their mother went to my uncle Bill's. The kids were all in diapers and I walked in carrying two diaper bags and my uncle was laughing and asked my mom who the nanny was! Then shortly after everyone ate my uncle looked at me and said I think it's time for nanny duty. ALL four kids had poop diapers and had to be changed by me. As I'm changing the diapers he looks at me and says "that's a pretty shitty job you got Keith!" As he's laughing historically and then said "I think your mother needs to be changed next cause she stinks!" and laughed even harder! I love you soooo much uncle thank you for ALL the great memories you will be greatly missed!!
