

Ronald E. Paugh

October 12, 1962 - January 8, 2024

Seabrook- Ronald E. "Ronnie" Paugh, 61, of Seabrook, passed away suddenly on Monday, January 8, 2024.

Ronnie was born on October 12, 1962, in Fitchburg, MA, a son of the late Virginia Paugh (Marrone) and Ronald Paugh. Raised in Leominster, MA, he attended Notre Dame Preparatory High School in Fitchburg MA and graduated with the class of 1980. Following high school graduation, he earned his associate degree in business at Mt. Wachusett Community College. With a degree in business, he helped in running family businesses; The Kon-Tiki Lounge in Salisbury MA, as well as Rum Runners Entertainment complex in Key West FL, among other smaller ventures. He and his family spent many years in south FL working together. Ronnie lived his best life in Key West- He would say that those were his best days ever and then came the endless stories of love, laughter, and loss. In 2003, he and his mother moved back to NH, where he began working at Washington Inventory Services. He continued to work for Washington Inventory Services until the time of his passing.

Spending time with his family was most important to him, and he greatly enjoyed spending time on the beach with friends. He was a giver and never missed a birthday or special occasion. The holidays were the busiest time for him as he was a pro at Christmas shopping; he never forgot a gift for the ones he loved. Raised with strong Italian family values and traditions, his life

revolved around his family. Because of him many traditions, values and family recipes will continue for many years to come.

in addition to his father, Ronnie is survived by his brother Michael L. Paugh and his niece Rorri & nephew Julian Paugh, his sister Teresa Quinn and husband Robert, and his 2 nieces Nicole & Noelle Quinn. He also leaves Aunt Nancy Marrone. Uncle Mickey Marrone and his longtime companion Elizabeth Jankowski, and cousins Dante, Nico, Enzo, and Giovanni Marrone. He also leaves his longtime roommate and best friend Kyle Marshall.
