“ *My heart is broken upon learning that Ron passed without my being aware. I shall always cherish the time I spent while working with Ron as a USDA Inspector at Kayem Foods & beyond. Ron was my trusted friend and we spent many a good time together. I'm saddened that Ron's retirement was so shortchanged. It seemed he had lifes events including retirement, planned and always stuck with his dreams.... "Life is what happens when your busy making plans" He deserved so much more! I shall remember Ron forever and shall try my best to uphold his spirit.*
