“ *Kathy,*
My condolences and sympathy for you and family, My precious memory was meeting you guys in Boston with my mother, sister, and my two sons from Sarasota (@PF Changs) . I'm so happy my sons got to meet you both. Even though time has traveled so quickly and distance kept us apart, the warmth I felt that night meeting you both brought everything together for a special God filled moment. My prayers will continue for Ronnie and you and his memory will live on forever. Many opportunities I had to speak with him when he and my mother spoke almost daily. It was nice to answer the phone to hear his energized cheerful voice. With all my Love, Bobby Hanna.

“ Kathy,
This is Ruthy Robinson from Mr. Williams. So sorry to hear about your loss of Ron. Ellen told me about it. You two were married a long time. My gosh! Where has the time gone. Seems like yesterday that we all worked together. I remember Ron coming into the beauty shop with his Aunt. Ellen and Trudy and I went to lunch a short time ago and we were saying how we would like to try and get a hold of you to join us next time.
Thinking of you Kathy. My condolences to the family also.
