“ We were phone buddies calling each other several times a month, sometimes a week. She always ended the call with telling me to tell my husband, Bill, to have a Manhattan for her! So cheers to you Auntie Roses!!! You'll be greatly missed! Love you ❤️

I did not know what a "Manhattan" was till my mom's memorial, (her sister Eileen's memorial in Phoenix) , OMG my Dad's cabinet out! My brothers needed to go immediately to liquor stores to find the Vermouth, hours later (well not too long later) they got it and then the "Manhattan" was completed for our very special Aunt Rose to celebrate her sister, our mom. ♡♡ Amazing memory for our Amazing Auntie Rose and her "Manhattans "
