“ *Aunt Sis was such a kind and friendly person. She was always fun to be around and talk to. The last time I saw her, we got a kick out of her love for Tom Selleck, and her not so precious cat named Precious. ;-)* Love you Aunt Sis!

“ *Rosemarie was one of a kind as a foster sister/mom! She did so many things for me through the years. She would help me with homework, make me dresses, cut my hair and make me eat pea soup, which she seemed to like herself! 😊 She knit me oodles of Barbie clothes which I still have. She also once slammed the car door on my thumb which meant a trip to the ER. There was the time when I stepped on a nail and she rushed me to hospital as well! She showed me how to cook and help care for her mother as well. I have such loving memories with her and Smitty. They both helped me after my mother's passing. She was such a treasure. Forgot to mention that her and Smitty gave me my first rides on a motorcycle as well! She was a real blessing con my life. God be with you till we meet again!*

“ *I served Trinity United Church in the early 1990's and have wonderful memories of Rosemarie! She (and Esther) watched over me and even made a summer robe for me to wear in the warmer weather. What a gifted and talented lady! I remember her auctioning abilities, and we had such fun. I celebrate her life and legacy and her new life now. Rev. Dr. Debra J. Hanson*

“ *I will treasure all the movie dates we shared together in my "man cave." You always brought lunch (usually pizza). I always let you choose the movie. I so enjoyed our time and dates together and looked forward to time just with you. You were a great listener and I will miss you.....*

“ You were a true blessing to me and already miss you dearly. I will miss our shopping days, lunches, hair dresser days, going to church together every Sunday and mostly our quality time and talks that lasted for hours. You brought so much joy to everyone and made everyone feel special. We said "I love you" after every call and day we spent together. that always included a big hug. You will always be in my heart and forever loved.
