“ I had the pleasure of working under Rosemary for almost six years in the Utilization Review Department at CCMSI.

While she and I did not always see eye to eye on some issues, we both had a mutual respect for each other, and I am forever grateful for all of the knowledge in the field that she shared with me.

You will be missed.

Rosemary, you will be missed by many, especially your granddaughter Maddie, your son, Justin and daughter, Andrea. When you became ill, it broke our hearts. We have so many memories of fun times with you and Bill, card games, fun trips to the Caribbean, the casinos of course and other great times we remember. We pray for comfort to those you left behind, that they too will have many happy memories to share. Now you too can find comfort with Bill and other friends and family that have gone through the gates before you. Praying for peace for all.
