“ *It is very sad to hear that Roy has passed away. He was a great older brother to my uncle Bill. Roy touched Bill's life in many ways. I want to express my deepest condolences to all of Roy's family members and friends during this difficult time. In the book of Luke it says, "And he said to him, Truly, I say to you, today you will be with me in Paradise." I know Roy is happy to be free of his pain. He will live in the memories of everyone he touched during his life. -Tricia Wagga*
