“ My all time best memory of you Ruthie was when we picked up you and Bill the day after your wedding to take you to the airport for your honeymoon. Bill opened the door and asked, " What did I do?" Then he let us into the room to find you all dressed in your wedding dress for the trip. It was showing signs of a long wedding celebration. Your smile electrified the room. You turned many heads as we walked through the airport and left them all smiling. Get ready up there she is coming and she is smiling that smile that only Ruthie can bring.
