“ *Always fond memories of Ruth and her family, living for many years next door, babysitting for the girls and then having her girls babysit for my children. My first job at twelve or so was picking strawberries in Ken and Ruth gardens. At this time may you find comfort in your wonderful family memories.*

“ *I was a member of the 4H group lead by Mrs. Pelton and attending school and church with her daughters. Always enjoyed the food stand on Lafayette Road for many years.*

She was a sweet lady, gracious, and kind.

May God grant you peace and comfort as you say good bye to a wonder mother.
