

Sally Willard

December 16, 1931 - September 8, 2025

Hampton- Sally Willard (Burr), 93, of Hampton, New Hampshire, passed away peacefully on September 8, 2025. Born on December 16, 1931, in Norwalk, Connecticut to Edward and Thyrsa Burr. Sally lived a long and full life defined by strength, grace, and a deep love for her family.

Sally enjoyed a long and successful career as an administrator at Raytheon Corporation. Outside of her work, she found joy in the simple pleasures — tending to her garden, collecting fine crystal, and indulging her love of shopping. Ever in search of a good bargain or the perfect sparkling accessory. If it sparkled, Sally loved it.

She was predeceased by her beloved husband, Bradford Willard, her sister Dorothy Carroll, and her cherished grandson, Jacob Brisbois. She leaves behind a loving family: her son, Bruce Willard and his wife Brenda of Princeton MA; her daughters, Kim Kennedy and her husband Matt of Seabrook NH, Debra Willard-Parker and her husband Kenneth Parker of Princeton MA, and Donna Brisbois of Princeton MA. Sally is also survived by six grandchildren and twelve great-grandchildren, all of whom brought immense joy to her life.

More than anything, it was being surrounded by her family that gave Sally the greatest happiness. Her warmth, humor, and unmistakable sparkle will be

dearly missed by all who knew and loved her.

A private memorial service will be held at a later date.

“ My Aunt Sally was a smart, sharp, warm and caring person who above all her qualities, loved her family. She and my Uncle Brad and my cousins brought many happy memories to our family. I especially remember their log cabin we visited when my cousins were younger and how they traveled to Europe and brought back cars with them. Sally's kindness to me when we talked will always be remembered. Our heartfelt sympathies go out to all the family! Valerie and Jim
