“ *I look at the pictures of my grandfather with all his children and it is amazing that Uncle Sam looks just like him. I still remember him and Uncle Laurie talking about the nicknames they were given when they were kids. Laurie became Hornet and I think luckily Sam's nickname of Pot Head didn't stick with him for life. Of course in the late 40's early 50's that nickname did not signify what it did in the late 60's. Condolences to all.*
