“ Sandra was my best friend in high school at L'ecole St. Jean Baptist. She was a wonderful friend! Our friendship continued on after hs and we even had our first child around the same time. My last visit to Sandra was at her home in Lynn where she was making homemade fresh bread for her family. I am happy she had Bill by her side and that they are together. Will always remember my best friend. My sincere condolences to Sandra and Bill's family. She will always be my best friend in my heart.

“ My deepest condolences to the family of both Bill & Sandy. I resided at Governor Weare from 2005-2020. Sandy was always very kind to both my mother & I. Sandy called a spade a spade and if you were on her bad side - she let you know it!! Sandy lived for Bill and Bill lived for Sandy. Their love was strong and undeniable. A love so unconditional. I would bump into Bill some mornings as he would vacuum the hallways and such. I was shocked to come about Sandy's obituary and even more shocked to see that the love of her life, Bill passed 11 days before Sandy. I am deeply saddened by this news. The only solace is that she and Bill are together again with their daughter. Sandy loved her family so very much. She was so incredibly proud of her grandson and tickled pink to become a great grandmother.

*Noonan family,  
I am so very sorry for your loss.  
To lose one parent is very hard but to lose two parents in such a short  
period of time is beyond belief.  
I will keep you all in my prayers.*

“ *I am in disbelief that you have lost both of your parents in less then three weeks Shawn. Your Dad was the one when I moved into my new home back in 1985 that wired up my telephone lines, and your Mom was just a sweetheart, I always enjoyed our chats when we would run into one another. Your parents always treated my grandson Trevor like one of the family, and that meant the world to me. I can't tell you how very sorry I am for your loss, but they are together again, and with Jennifer, and one day we will all be together forever with no pain, or suffering. Your in my prayers Darlin, Love Trevors Nana Liz*
