“ Dear Mike, Ashley, and Kali,

*Are hearts are broken for you! We know words can not take away the pain but they are there for some type of comfort. I have memories of Sandy as we grew up but my favorite memories, that I know my kids will always remember, are the awesome ideas she had for our Halloween Parties! We were always excited to see how you guys were going to show up and we know Sandy was a huge part of figuring that out. Our favorite is the Jonas brothers, so I had to post that picture! Hopefully it brings a smile to your face, as you remember the good times! I will always remember her smile and her laugh! Our thoughts and prayers are with you!*

*With Love,  
Liz, Neil (Pat), Madison, and Stone*

*XOXOXO*

“ *To Michael, Ashley, Kali please know Sandy is now with her Mom and Dad. Her Mom adored Sandy as she did all her girls. Her Dad didn't want sons he was so thrilled with his daughters. Michael you gave Sandy an amazing 24 years. Her parents would be so proud of you and thankful for giving their daughter this life with 2 adorable daughters. She was a beautiful little girl and I had the pleasure to spend a lot of time with her, Kathy and her Mom as well as her sisters as they were born. Claire was taken too soon at 31 but you see in each daughter the kind, caring, loving spirit she was and why everyone loved her. Claire also was a great baker as we shared and enjoyed many of those treats. May Sandy rest in peace in the arms of her parents and grandparents who will take wonderful care of her. Cherish all the memories you have.*

*Dear Ashley and Kali,*

*Word's cannot express how saddened I was to hear about the loss of your Gorgeous mother. The many years of driving the bus, and the generous bus shaped cookies your mom would give to me as a gift every holiday, end of year and wrapped so perfectly! I can recall as if it were just yesterday, and with her smiling face, and not a day that she didn't say thank you for watching out for her girls. Only a couple years ago would I have learned that she was the artistic one that had actually painted those beautiful masterpieces! Watching you both grow up into beautiful and caring young adults just as she was, must have made her proud! You will now have to keep those memories of her close and keep your Dad closer, as you both will continue to make him ever more proud. I will keep all of you in my thoughts and prayers and my condolences go out to all of you especially as the holidays approach. I am thinking of you all! <3*
