“ *Aunt Sandy was truly the most amazing woman I knew. She was more than an Aunt to me. I admired her courage, and she was kind, funny, and so loving. She always had words of encouragement and there were many I time I called her for advise or to hear her voice. She was such a comfort to me when I was down she always cheered me up. She was a beautiful generous woman and I could always count on her to say something kind. I will truly miss her. I am glad she has passed on to a better place and is at peace. There is one special time when I was about 23 and we stayed up until about 3 am playing Pac Man on the Atari. We laughed so much and she was so quick! After I went to bed I could still hear her upstairs, we were so wound up that it took a couple of hours before we could finally fall asleep. Love and hugs to the family she has left behind. Miss you all. Wish I could have been there with you. Love, Janey*

“ On behalf of the members and friends of Naples United Church of Christ in Naples, Florida, I would like to express my condolences to Sandy's family. Her loving and vital presence in the life of this congregation lives in our memory. It was so loving of her family to move her north for better care and closer companionship following her illness a number of years ago--those were tough times for her, but she kept her courage during the long hours of recuperation. The members of her family were here for her at that time. I have missed her, but know that she has continued her journey without the limitations that kept her spirit confined. God bless you and her memory! Dr. Ron Patterson, Sr. Minister, Naples UCC.

“ What a great picture of Sandy! That's just how I remember her. So sorry for your loss. I have many fond memories of playing golf with Dave and Sandy in Keene. I didn't know she had moved to the seacoast area. I'm sorry, I would have loved to see her again.
