“ I haven't known Sandy for very long, but she had an amazing presence. Always smiling and doing things for others even when I am sure it was tough for her. She never complained and was and still is a true inspiration. My sincere condolences to her family. She will be missed.

“ Lord knows she was the life of the party she was the light in the room she was a smile that you made you smile she was optimistic she was one hell of a dancer the hell of a cook she loved hard but she cared about so many people her daughter was her number one priority and if you were her friend you knew you were her friend cuz she was always there. I love you Sandy and I'm a miss you so much. For 8 years you were my bestie you were my friend and you are my sister that I needed to have wanted to have.. and you made the best apple dapple meatloaf I've ever had in my life and was scared to try it but you made me. My best times are at the golf range on our adventuring outings LOL, you just taught me to just embrace what I can and get rid of what I can't. I love you so very much
