

Sean P. Sullivan

September 13, 1992 - February 21, 2019

Brighton, MA – Sean Patrick Sullivan, 26, of Brighton, MA and formerly of Hampton, NH passed away suddenly on Thursday, February 21, 2019 at his home. He was born in Portsmouth, NH on September 13, 1992, a son of Peter Jr. and Rose Sullivan of Hampton.

Sean attended Hampton Schools and graduated from Saint Thomas Aquinas High School with the Class of 2011. He went on to earn his Bachelor's Degree from the University of NH and was due to graduate this May with his Master's Degree from Suffolk University in Boston, MA. Upon graduation from UNH, Sean accepted a position as a Business Analyst with Massachusetts Eye and Ear in Boston where he worked for three years prior to accepting a Senior Quality Analyst position at the Lahey Clinic in Burlington, MA.

Sean was a remarkable, personable young man who had a great love for life. A very kind and compassionate soul, one who always had a smile on his face, he enjoyed surrounding himself with family and friends. He loved all sports and played football and lacrosse while at Saint Thomas. Sean also loved traveling to various sporting events throughout the country, particularly Patriots and Notre Dame football games. Most recently he was enjoying time hiking the mountains of NH and kayaking on the Charles River in Boston. Sean had a great love for his longtime girlfriend and soulmate Rachel Cyr who were in the beginning stages of planning a beautiful future together.

In addition to his parents, he leaves his brother, Ryan and his sister, Erin. Sean is also survived by his grandmothers, Mary Collins of Exeter and Ginger Sullivan of Lowell, MA and several aunts, uncles, cousins and many, many friends.

He was predeceased by his grandfathers, Peter F. Sullivan, Sr. and Col Patrick G. Collins USMC (Ret).

Visiting hours will be from 3 to 7 PM on Wednesday, February 27, 2019 in the Remick & Gendron Funeral Home, 811 Lafayette Rd., Hampton. A Mass of Christian Burial will be celebrated at 11 AM on Thursday at Our Lady of the Miraculous Medal, 289 Lafayette Rd., Hampton.

“ *I am completely stunned and deeply saddened to have just heard the devastating news about Sean. Sean was a student in two of my classes at Suffolk University and was full of enthusiasm and great, great humor. He had such a positive personality and always made me laugh. Over the years, teaching many students, there are a handful I will never forget. Sean was absolutely one of them. My most sincere and heartfelt condolences go out to his family and friends at this truly difficult time.*

“ Sean really knew how to light up the room. He was such a silly soul with nothing but talent and dedication to the healthcare industry. He had just recently landed a job as a senior analyst and would frequently mess with us about his new Mercedes Benz (black on black) that he was so proud of . I'm just glad that such a hard working kid was able to do and have so much of the people and things he deserved in his short life.

“ I knew Sean as a very bright classmate from two classes that he and I were in as part of our MHA program at Suffolk University. We were chatting about how one day either he would be working me as a Manager or we'd be working together as I enjoyed his enthusiastic spirit for the healthcare profession. I ran into Sean by the library 2 months and we chatted about his excitement for his new position at Lahey health where I used to work. I was then giving him the lay of the land there and what to expect in his new role. Now hearing of his passing, just sadden the hell out of me. I am so sorry to hear of this news and wish his family and loved-ones by condolences and prayers. I can confidently say that Sean, and I, were the best-dressed students in all the classes that I shared with him. I will miss him!

“ Sean was in two classes I teach at Suffolk and I had a good conversation with him just 10 days ago. I've always enjoyed my interactions with Sean: he was very friendly and talkative and he emphasized the positive. He seemed very committed to healthcare management and he enjoyed talking about his work, first at Mass Eye and Ear and more recently at Lahey. All of us in the Healthcare Administration Department at Suffolk will miss him and we will be very sad to not see him walk across the stage with his classmates at graduation this May.

“ To the Sullivan family,

I am roommates with Rachel in Brighton and she and I work at the same company. Sean would often come over to our apartment to hang out with Rachel. Sean was an incredibly fun person to be around. He had an infectious smile, was always so full of energy, and knew how to tell a funny joke or story. Sean and Rachel were very much in love with each other and it warmed my heart seeing them together. I am grateful for the eight months that I have gotten to know Sean and I will miss his presence. I extend my deepest sympathies and prayers to the Sullivan family and to Rachel.

“ Sean and I worked together at Mass Eye and Ear and became fast friends. My nickname for him was Sully. His love for all sports was second to none. He loved his Cleveland teams (Browns, Cavs, and Indians). We would always text each other a couple of times per week as we caught up on all the latest sports happenings. Our favorite conversations centered around college football and Men and women’s college basketball. He was a huge Notre Dame Fighting Irish fan. Our favorite time of the year was always March Madness, we would take off from work the 1st Thursday and 1st Friday of the tournament to watch the games. Which we agreed was the best sporting event. But besides sports. Sully was a cool guy who always had time for people, he had a great personality and was a happy go lucky guy who was upbeat and had a positive energy.

I will miss his friendship and I’m truly sad and heartbroken.

My thoughts and prayers go out to the Sullivan Family and his girlfriend.

“ To my buddy Sean I am very sad to hear of your passing. We worked together at Mass Eye and Ear, in different departments, and we shared many good laughs. Sean and I would talk about his Browns, my Redskins and Ohio history! I even ribbed him with Steelers fans and Sean always responded “We are getting there” about his beloved Browns. There was once a social media post about the Browns offensive line coach Bob Wylie – Mr. Wylie seemed like anyone’s uncle and I shared this with Sean and we laughed quite a while about that. Sean was always the person to pick you up with a smile. To the Sullivan family, words cannot describe your loss. I would like to extend my deepest sympathies to the Sullivan family. Always in our hearts!

“ I was Sean's manager at Lahey. Sean was a very bright and sharp young man with so much energy, and full of smiles. He shared so much about his family, girlfriend and where he is heading in the future. He was like one of my kids at times, always finished what I didn't eat and bugged me to take a ride in his new car, so we made a meeting out of it. He really loved his family and his girlfriend and spoke highly about them all the time. My words cannot fully express the sorrow I feel after learning about Sean's sudden passing. May you ever treasure the wonderful times you had, my prayers are with the whole family.

“ Sean and I worked together for many years at MEEI. He referred to me as his “work mom” and he sometimes drove me crazy the way that kids do! He made me laugh every day and he never sat still! He just stopped by to visit a few weeks ago to tell me how much he was enjoying his new job and to show me his new car. He talked about his plan to go to Europe and his future with Rachel.
