

Shawn M. Simons

August 11, 1982 - May 1, 2015

Hampton - Shawn M. Simons passed in peace, May 1st, 2015 at the early age of 32. He was born on August 11th, 1982 in Portsmouth.

Shawn was truly a one of a kind. To know him was to love him. He would light up any room he walked into with his infectious smile and contagious laugh. He cared immensely about solving the problems of others before solving his own; he talked endlessly with family and friends trying to work through their hardships. He was a great listener and always put others first. Shawn appreciated all types of music, there wasn't a song he couldn't sing or a moment he has not captured on his camera. His charismatic personality was evident in the amount of friendships he harbored.

What you may not know about Shawn is how much he loved watching documentaries, reading biographies, history, traveling and had a zest for acquiring new knowledge.

Shawn will be greatly missed. He leaves his beloved father, Michael; loving mother; Carol, siblings Michelle, Crystal and Jesse; nephews, Cameron Macdonald, David Roberts Jr.; niece Melia Roberts; aunts, uncles, cousins and friends.

" I will miss watching our crazy Netflix shows together."- Jesse

" I will miss the late night voice messages of you signing our favorite songs to me."-Crystal

" I will miss our deep conversation about people and my current situations." - Michelle

We appreciate all your kind words, support and happy memories you have shared. We cannot thank you enough for your contributions to TD Bank and to the Shawn Simons Memorial Fund. Without your help, we wouldn't be able to give our Shawny the proper service he deserves. With love, The Simons family.

“ Prayers of healing, fond memories of a good soul, cherish those you love.

As another soldier hangs his hat for the last time.

Know that you are loved

You will be missed dearly.

But your suffering is over now

May God welcome you

Into the kingdom of heaven.

As a guardian angel

To protect us all

Still in the struggle.

Goodnight Shawn.

Gratitude for fond memories

And the light you brought

Into our lives

While you were here.

“ *Too many memories. That summer you lived with us, we were connected at the hip. 1996. We both cried when you left. We didn't have cell phones back then and long distance phone called weren't allowed. Our lives were just so different when you came back, me with four kids and you a single guy having fun... I always thought there would be a next time. Shawn I'm so sorry. I'll always regret that i didn't make more of an effort when you came back. I've always loved you and always will. There will always be a bond between us. I'll think of you whenever i see certain old movies like Mommie Dearest or Flowers in the Attic. I'll never forget you dancing in the back of my car every day to the Sister Act Two soundtrack. You were a character, funny, caring, a heart of gold. God takes the best first. My love to your dad, Crystal, Jesse, Michelle, Melissa and your mom. I'm so incredibly sorry.*

“ Shawn you reached out to Michelle a couple weeks ago when we lost Kelly and she read your text message to me... You had a huge heart Darlin and were a wonderful friend to so many... My heart breaks for your Mom... Carol just know you are loved... I miss seeing you @ Shaw's... Having just gone through this with both Kelly and Jason I know your pain, but please try to find comfort in knowing they are all together and the happiest, healthiest they have ever been... Shaylia included a picture of you, her and Kelly in the side show at Kelly's Celebration of Life Ceremony... Now I have a beautiful picture in my mind of Kelly in the middle with Jason on the left and you on the right all hugging with smiles big enough to light up a room

“ Shawn, I can remember you from the days of junior high, even back then you were a joy to be around. You were fun and a wonderful person. We lost a bright shiny star and will all miss you so deeply. With love and prayers to your family..and till we all meet again someday, lots of love.

“ I am so very sad to hear of Shawns untimely death. I barely knew Shawn but had the pleasure of working with him at TGI Fridays for a short time in high school. While i didn't know him as personal others, what I do remember is his ability to brighten the room with his smile, laughter, and course his singing. Praying for all of you in this difficult time.

“ I am so very shocked and sad to hear this news. I worked with Shawn at Wediko when he was a young teen. He was such a wonderful, wonderful kid--full of life, spunk, and fun. We got in touch over FB a few years ago and I was so happy to see that smile and zest for life in him as an adult. I am so very, very sorry and will be praying for you all. “ *Shawn was a beautiful sweet caring man that made this world a better place. Everyone whose life he touched is changed for the better. My life is better for knowing and loving him. He wiggled his way into my heart and took over a big piece. Not seeing his smiling face again breaks my heart, but he will forever hold that place. All my love and prayers to his beautiful family in this sad time.*
