“ Sophia - what a beautiful and loving lady. She opened her home and her heart whenever we came to visit whether it was in East Boston or Derry New Hampshire. When Matt and Maryann married, Sophia became part of the family too. She stepped out of her way to make us at home and she stepped out of her comfort when she came to visit us in PA. God bless you Sophia you have finished the race and we are blessed to have a part of you always in our hearts!

“ My favorite memories of Sophie are the times spent with her in her favorite place, her chair by the wood stove. It was there that she would share all of her favorite stories about her children and grandchildren.(with the biggest smile on her face, I might add). She was always excited to hear the latest news about her old friends and neighbors in East Boston. Our favorite lunches were tuna on fresh Italian bread (which she loved and missed !!) Cant forget out tea and raspberry and champagne cookies !! I will especially miss her smile and loud warm greeting every time I turned that corner to enter the kitchen where she sat. Even after her stroke, as hard as it sometimes was for her, she always managed that same beautiful greeting which always made me feel so welcome and loved. I will miss you very much Soph xoxo
