“ *To The Aversano family,
I and Stacey met in Arizona. Her Boscoe and my Jesse became friends but not as quickly as our kindred souls....I can remember our first mtg as neighbors through a fence was nearly 3 hrs...As we talked there were more similarities....She made my heart smile when i was hurting...She helped me see words and numbers a new way....She watched out for the children in our community and gave from her heart. Deeply blessed to have known her.*

*Sincerely,
