

Stephen J. Curley

March 2, 1939 - March 7, 2025

Greenland – Stephen J. Curley, 86, of Greenland, passed away peacefully at home, surrounded by his loving family. He was born in Charlestown, MA, to the late Stephen and Katherine (McManus) Curley. He shared 53 wonderful years of marriage with his devoted wife, Anne (Newhall) Curley, whom he kept laughing every day.

Stephen was raised in Charlestown and Arlington, MA, graduating from Arlington High School. Following graduation, he entered the United States Army on May 14, 1962, proudly serving his country until May 13, 1968. During his time in the military, he specialized in Morse intelligence and was a sharpshooter, demonstrating skill, discipline, and dedication. He was a proud member of the American Legion, where he found camaraderie with fellow veterans.

Following his military service, Stephen built a career in the import/export industry, working as a clerk for Ocean Air in customs. After many years of dedication, he retired at the age of 62.

Stephen met the love of his life, Anne, in 1971, and together they built a life filled with love, laughter, and cherished memories. He was an avid reader with an insatiable curiosity for knowledge and was known as a great cribbage player, always up for a challenge.

Left to cherish his memory are his wife, Anne, of Greenland; his children, Stephen Curley and Maureen (Curley) LeBel and his brother Richard Curley; as well as extended family and dear friends. In addition to his parents, he was predeceased by his brother, David.

“ I have many fond and fun memories of Uncle Steve. He had a 50th birthday party in 1989, and he got a gift of 50 cigarettes! We had lots of fun at the old camper in Maine. I remember he told a silly joke about some leprechauns, and he and my mom were laughing so hard that he couldn't even finish telling it. My deepest sympathy and love to Auntie Anne and my cousins Stephen and Maureen and the sweet grandbabies
