

## Steve Heguy

October 5, 1944 - December 9, 2015

Rye – Steve Heguy, 71, of Rye, died suddenly on Wednesday, December 9, 2015, doing what he loved, riding his bicycle.

He was born October 5, 1944 in Louhossoa, France, the son of the late Jean Baptiste and Marianne (Hiriart) Heguy.

Steve was raised in France. His family moved to California when he was 18 years old and when he was 21; he enlisted in the United States Air Force. Steve was then assigned to Pease AFB in Portsmouth and in 1965, shortly after his arrival, he met and fell in love with Lucille “Lucy” Dumont of Rye. They were married in 1968 and settled in Kittery for a few years before buying their home in Rye.

He entered the Portsmouth Naval Shipyard through the Apprenticeship Program and began his career as a Pipefitter. At the time of his retirement from the Shipyard in 1999, he was an Engineering Technician in the Engineering & Planning Department. After his retirement, Steve did not stand by idle, rather he worked several part time jobs, jobs where he could meet the public and interact, which he thoroughly enjoyed. Steve loved the outdoors and during the summer worked part time at Abenaqui Country Club manicuring their fairways. A special thank you goes out to Pat Kelly and all those on the ground crew who were not only co-workers but friends.

Steve was a member of The American Legion Post #35

In addition to his beloved wife, Lucy, he leaves his brother, Rene Heguy and his wife Elizabeth "Bunnie" of Los Banos, CA; his sisters, Monique Lynch and her husband John of Klamath Falls, CA and Louisette Cavallo of Bordeaux, France: sister-in-law, Rose Corliss of Kittery, ME; brother-in-law, Joseph Boucher of OR, a special uncle and aunt in France; as well as several cousins, nieces and nephews.

Visiting hours will be from 2 to 4 pm on Tuesday, December 15, 2015 in the Remick & Gendron Funeral Home - Crematory, 811 Lafayette Rd., Hampton. A Mass of Christian Burial will be celebrated at 10 am on Wednesday at the St. Theresa Parish Church, 815 Central Rd., Rye. Relatives and friends are respectfully invited. “ *Dear Lucy,  
It was with profound sadness that I learned of Steve's passing. I have so many wonderful memories of time spend with you and Steve and how wonderful you both were to me, Lynn and Tara. Steve always had a smile on his face followed by his wonderful laugh, and that is how I picture him to this day. The years have passed but time has not erased my deep affection for you and Steve. May God be with you during this most difficult journey. With love, Lois*

“ Lucy,

*So sorry to hear of Steve's passing. What a super friend he was during the 80s and 90s at the racquetball club.*

*Steve an I had so many enjoyable evenings sweating and bleeding all over each other on the racquetball court! We always left the club exhausted and woke up the next day refreshed and ready to go do it again. I have such fond memories of Steve, not only a super player and champion whom I could never beat, but always such a gentleman and loyal friend.*

“ *Lucy so sorry to hear about my dearest cousin Etiene! Unbelievable! Even though I hadn't seen him in years we talked about him often! I know your grieving and I feel so sad for you! But if we believe what we were taught as children ( and I'm sure Tanta Marianna taught him often) he's with her and Otto Jean Baptiste, His Otto Pete, Cousin Pete, Paul and Jaime! Our Family is like the broken chain! Some here on this earth and the others in Heaven! We will see each other again someday and that chain will be connected again! XOXOXO See you on the other side Etiene!*

“ *What I remember most, is how Steve quickly volunteered for an assignment on the boat, while unknowingly suffering from a ruptured disc in his back. He taught me perseverance and unselfishness in my daily routine. A good friend, veteran and exemplary American. We'll miss you Steve Heguy.*

“ It's hard to find a better person than Steve Heguy--Both at work and on the Golf course---it was non stop bantering between the two of us--  
---just his facial expressions would start me laughing, I remember really having a hard time with a tagout job and I said to Steve that I didn't understand-----and he stared at me for what seemed like minutes with that serious look on his face and said,"That's because your stupid". We laughed so hard it hurt---but he didn't leave until the problem was solved.  
I could go on and on with stories of Steve,But simply put, He was a positive free spirited kind of guy that I was lucky enough to call my friend , "the rat that walks erect". Our Quarterly get togethers will never be the same. I will never forget you my friend-----  
---My deepest sympathies

*Steve and I worked together at the Shipyard. He was a true professional and was always there to help with any problem. Above that He was a good friend who always brought a smile every time he spoke and made us laugh. A good guy who I will miss next time I'am up in New Hampshire.*

“*Steve was one of the three initial employees who was instrumental in the success of Allegiant Airlines and then Skybus in Portsmouth. He was one of the "Awesome Threesome" as we like to call them: Steve, Kathie, and Martin. He always made me laugh and turned seemingly large problems into small solvable ones. More importantly, he immersed himself into caring for all the passengers and to this day, whenever his name is mentioned, I just have to smile. He was one of the most kind and caring men I have ever met and I just loved working with him. Truly one of the greats who made this world a better place through his acts of kindness and deep respect for people. My deepest deepest sympathies to the Heguy family.*

*Respectfully,*

*Lucy the sadness Brandt & I feel is over whelming. We've shared so many fun times together. Steve was the most positive person and loved you & life. I'll never forget our trip in our boat to the Cape. When we hit Buzzards Bay both of us said "never again" Steve turned around and said "It's okay Lou it's not rough!" Or when we went to Quebec 20 below zero and he thought it was fine. We laughed till we cried. Such great memories of a great guy and couple. Stay strong Lou and always remember we will always be here for you*
