I'm so sorry to hear this news. Please know you (Steve's family) are in my thoughts and prayers. Steve and I worked together at JPM for more than 10 years. He was an amazing colleague, a great partner and good a friend. We both decided to leave around the same time and caught up one or twice post his retirement.

Over the years he talked about his children all the time - we compared coaching notes and talked about Hawaii. He always did the right thing for our shared client and his team.

“ Graduated SHS with Steve. One of the nicest kids in the class. Grew up not far from him in East Saugus. If I remember correctly, we worked together at Sears. Remember him being a big Beatles fan back in the day.

*My condolences to his family.*

“ Steve was my best friend when we grew up in Saugus, MA. He was my Best Man in my wedding as I was his at his wedding. Throughout the years, life somehow got in the way of our lives and our careers and family took us in different directions. Steve will never be forgotten R. I. P. MY friend Mike Stewart
