“ Deeply sorry to learn of Steven's passing...he was a true friend to all in our neighborhood. Steven made an impact on all who had the pleasure of knowing him...my kids (adults now) still remember their visits to Grandmom and Granddad Norton's house and Steven stopping by to visit. His laugh was contagious :-) and with all my family in town this holiday, we shared memories of Steven! Bettie Norton (now living in a nursing home in NY) was truly saddened when she heard the news! I can see him now rushing up to Linwood, Henry, Bucky, and the rest with open arms saying, "Where the heck have you guys been!" God bless you all. Please take comfort in knowing your child/brother made a difference in the lives of countless others...he saw the good in all and was always willing to offer a helping hand! Our world needs more Steven's today...Love Jane Norton Jung and families

“ Steve, We are truly going to miss you! You were our favorite customer! It truly was a joy to have you in the store and I always looked forward to your smiling face! We were devastated to hear of your passing. I wanted to share a nice memory of you with everyone. I remember a few years back, I was working on your phone and telling you how I lost my favorite screwdriver and how it was very hard to work on the phones without it. You told your boss about it and brought me in one that helped me out quite a bit! I will never forget your generosity and how kind you were. Trudy and family, we are very sorry for your loss.

“ *Joe and I were saddened when we learned Steve had been taken away so young. we had special feelings for him and were always happy to see him. He loved having coffee with Joe and Dick but will surely be missed by many, many others. I loved how he would sit down and tell me all that he had been doing lately and also make sure he told me he was "being a good boy for me." He was a great guy! Trudy, my heart aches for you. It's so hard for a mother to lose her child, and this time of year makes it much harder. But he will always be in your heart and in the heart of many other's too. He was a shining light. Many blessings to the family.*

“ I am so sorry to hear about the loss of Steven. Fond memories of Steven riding around the neighborhood on his motorcycle stopping by to visit all the neighbors - he was a very friendly, sociable guy and always had something kind to say. He would sit for hours with my Mom and just hang out! Steven was known by everyone and will surely be missed by all.

“ So sorry to hear of Steven's passing. We have so many memories of him as a part of our community, one of him playing Santa Claus when Jill was very young and he came to our house all dressed up handing out the candy canes. His constant presence in the community on his bike or mowing someones lawn. He will be missed by many.

Thoughts and prayers are with Jim, Trudy, Kenneth and Betsy.
