

Susan M. Hale

June 19, 1948 - October 24, 2020

Fremont - Susan Maureen Hale, 72, passed away Saturday, October 24, 2020 at home in the comfort of her husband's loving embrace after a long fight against an ongoing illness.

Susan was born in Philadelphia, PA on June 19, 1948 and lived in that area with her family for a while before moving to Hampton where she met her husband and love of her life, Frank O. Hale. Susan and Frank loved entertaining friends and family on weekends and holidays. They also enjoyed dancing and going for long Sunday rides to the mountains, looking for moose or shopping. They had many pets over the years and she adored them all.

Susan had several jobs over the years including part owner of an antique shop in Portsmouth and although the store didn't succeed, she enjoyed every second of it. Susan met many people along her journey in life and had many friends, but her closest were Lynn and Cheri, both who sadly passed in years prior and she missed them dearly.

Susan was the most caring woman. She would give a stranger the shirt off her back, risk her life and pick up people walking in the rain or help those less fortunate, never expecting anything in return. She was famous for complimenting people on their appearance and clothing and never hesitated on letting people know how great they looked, even perfect strangers passing

by in a store.

A surprise in Susan's life happened in February of 1986, her granddaughter Katie was born. Katie was the apple of her Nana's eye and they were inseparable and partners in crime. Susan would do anything for that girl; she gave her everything and they had a bond like no other. Along came Katie's "sister from another mother", Tasha, and bam, Susan had two granddaughters and it was the three of them against the world. Susan also has a grandson, Kevin Jr, lovingly known as "Baby Kevin," whom she loved greatly and would talk about all the time.

Susan was part of a big family with many aunts, uncles and cousins and adored them all. She loved her sisters' children and their children too, and when she was able, she would watch her great nephew Chase.

In addition to her loving husband Frank, Susan is survived by her son Kevin Hale and his wife Tammy, her daughter Karen Snopek and her husband Kevin, the other loves her life, her granddaughters Katie Hale and Natasha Tinsley and her grandson Kevin Hale, Jr. She also leaves her father James Moore and her sister Jamie Poirier and her husband Rene and their children.

Susan was predeceased by her mom, Marie 'Teddie' Moore.

Susan was an extraordinary woman who always put a smile on your face and gave you a warmth in your heart. She made everyone feel special. She was an amazing mother and person and will be missed terribly. Remember to always tell your people in your life how much you love them they can never hear it enough.

Services will be private. In lieu of flowers, memorial donations may be made to the New Hampshire SPCA (<https://nhspca.org/donate-today/>) 104

“ Dear Frank and All of Sue's adored family,
My memories of Sue go back close to 50 years when she and I worked together for a short while at Webb Oil in Portsmouth. If circumstances had been different, we probably could have become that generation's Thelma and Louise. Sue had a sense of humor and her smile lit up the room. She was smart and very savvy and we got along so well. Time passed and when she was working at SCU our paths once again crossed, but again circumstances sent us off in different directions - she moved, I moved, and we just couldn't seem to connect. I do remember several mornings at Hebert's though while she was "on break". I do know that the past few years have not been easy for Sue, but that she always put on a brave face, and I do also know that she loved deeply. I am sure her passion for her family only grew over the years as new members were added. I will remember Sue fondly, and hope that the memories she made with you will guide you through these moments of grief. RIP, Sue - you were one of a kind.

“ Frank and family,
Although I'm not familiar with "family" all the condolences that have been submitted by those who have known her more intimately than I couldn't be more eloquent.. I remember her and her mother shopping at Henderson's Market on Winnacunnet Road in Hampton not far from where they lived. She was a lovely girl. Savor all the fond memories, we will all meet again.

“ Frank, Mike and I are so sorry for your loss. We had such good memories of life on Anns Terrace! Sue was one of a kind. It was Katie and Brendan playing together, the many Christmas Fairs I would see her at and who could forget the Thanksgiving your stove died and you finished off the turkey in our oven! You and the family are on our thoughts at this difficult time.

“ *To Frank and all Sue's family:
Bruce and I send our deepest sympathies. Sue was a neighbor of mine when we were in high school. Although I hadn't seen her in years, FB helped us to stay in touch.
I pray that God's Arms hold you all tightly in the days ahead... and may the promises of God keep us all looking forward to God's coming Kingdom when, thank You Jesus, we will all be together again for eternity. ❤️

“ *My sincerest condolences to everyone who loved her. I may not have told her, but Sue was like an aunt to me. When I lost my own grandmother, she was right there giving me comfort, and even bought me a pink stuffed teddy bear to help me feel better. I remember when she worked with my Mom at SCU, and sometimes talking with her on the phone when I'd check in with Mom after I got home from school. Sue was an absolute sweetheart, and was taken home too soon. I'm going to miss her dearly, and take comfort in knowing she's at peace with our beloved Creator, God, and those who left before her. Rest in peace to the aunt I never got to have. May she fly high, and watch over us always. 🌹💜*
