“ *I remember Sylvia from the Methodist Church. We use to talk about our shared interest in gardening after service at coffee hour. She had a quiet way about her and always a smile.*

“ *I hired Sylvia to work as the bookkeeper at the Hampton District Court early in 1978. She was so good at her job and a wonderful, kind, person. I left my job later that year but she kept working at the court for many years after. I am sorry to have lost touch and am sure that she will be missed by many. My sympathies to her family.*
