*The little things
The little things are most worthwhile
Quiet look a quiet smile
Listening yeah it's quick to share
Another thoughts another cares
Though these things may seem quite small
The little things mean most of all

“ *A truly beautiful and inspiring soul. It was a pleasure to know and take care of her even though it was only a short 3 months. A beautiful, compassionate smart woman that I will NEVER forget. She taught me so much in such a short time and I will forever cherish getting to know her and her family during her stay at COPO/Poplin Way. <3 Chloe*
