“ Beautiful lady inside and out! So glad two young girls met in school (70+) years ago.

*I grew up calling her, Aunt Thelma. She lived up to the name! Was always fun to be around her, even if she felt the need to kick me in the butt.*

*I have very fond memories growing up with the Pretty Family.*

*I am sorry for the loss of your mom. I am unable to make her services tomorrow.*

*In my heart I will be there, with all of you.*

*Cherish the wonderful memories, I know she left you with. Hugs, Lynn*

“ I have so many great memories from when I was very young and we used to come visit in the summer. I also have wonderful memories of when I came to visit with Auntie Thel as an adult and when she came to visit us here in Texas. She was a terrific lady and the world has lost someone very special. Family, my heart goes out to you all. My thoughts and prayers go out to you all! Auntie Thel will be missed by many! Love to you all, Dana.
