“ *My Dear Godmother,
You were such a special, caring and loving aunt. For someone who had been through so many trials and tribulations you were always strong in your faith and always thinking of others. I couldn't believe that even while you were in the hospital you made sure I received my birthday card. You will always have a special place in my heart and may you rest in eternal peace.
To my Uncle and Cousins, you made my aunt's life so special with your loving family. She was so proud of you and you brought her so much joy. I firmly believe she will be watching over all of you. Love you All and sending our Deepest Sympathy.
Love, Robin & Paul*
