“ *Theresa was like a housemother from the old movies. When my grandmother died, she made me sit and have a cup of coffee before I got behind the wheel to drive home.*

I tried squid for the first time one Christmas Eve.

If I needed anything, I just had to go downstairs.

Rest in peace Theresa. Hugs and prayers for Frank and Jennifer.

When we first moved a Gardner, we had a 7 hr ride home in the snow. Theresa and her big heart fed my sons and had a hot meal ready for Kathie and myself. Frank kept my youngest son who was scared of the night happy and secure. She was caring and loving who welcomed everyone. she will sadly be missed. Love the Burns

“ *Theresa, I will miss you. I remember all the good times we all had visiting you and your family. I used to love going to Hampton Beach to visit. Sitting on the front porch, drinking coffee and laughing while you told stories. Dinners were always fun and delicious. You were a very good cook. Say hello to Aunt Patty and the rest of the family. I will miss you.*

*Love,
Anna Marie and Bob*

“ Frank and Jennifer, I'm so sorry for your loss. She was a wonderful person!

Theresa, I always enjoyed seeing you when I went to Hampton Beach as a child. You always made me laugh. And I still remember the big family reunion you had at your home and how much fun I had during that weekend. The last time I saw you was at your Aunt Rose's (Pascarelli) funeral and I remember hugging you for several minutes. While I wish I could have seen you again, I'm glad our last time was filled with love. Say hi to all the family up there.
