“ I can't put into words at the moment as I have just heard the news. My deepest condolences, Tom and I kept in touch through the years and a void has been created. Thank you for all you did back in the day and for always being a constant in my life up until you moved back to NH in'14. I'd been waiting for your call to let me know how to keep in touch. I will no longer be waiting for that call as all I have to do is look to the stars as that was where your faith was. Thanks again for everything and if Dick happens upon this, please give me a shout, 442-500-9711

*“ I'll always remember Tommys great smile, his laughter and sense of humor. Seems like I can remember him always laughing. I also remember as a child playing in what was deemed (the old shed) as the playhouse, the time when I was allowed to play with the "older kids" and Tommys flair for acting and taking charge of the production. My thoughts are with you all.

“ I grew up on the same street as Tommy. He was a few years older but from a child's perspective he was always kind, caring and never bullying of others. Now I did see him chasing Marianne (a sweetie) a few times but out of love or at his parents request. The Boyd's of Folly Mill Rd. were good neighbors. Prayers and kind thoughts for your family.

Your first cousin has a connection that time can not erase, he was my very best friend growing up. Life took us on different path. But I will always have fond memories of hide and seek at Nanna and Grandpa Simon and 4th of July at the farm in Kensington. Rest in peace Tommy!

I was shocked to hear of Tom's passing. We went through twelve years of school together, and I always considered him a kind, gentle, and giving person. I regret never having maintained contact with him. My condolences to his family. Diana Pietrowski
