“ *Pop, I'll never forget the time when I had to borrow the truck and I got a call that you were taking my car to work and started dying laughing cause I thought I was going to come back with the front seat taken cause you were soo tall hahaha!! But most of all, the many one on one conversations we had about life and once in a while you smiled and giggled. When you did the room lit up. Thank you for being a father figure in life. I'll never forget you or the family. Ma, Jen, Mark, Brian....you will always be family to me. Sending all my love. Terry*
