“ *My deepest condolences to his daughter and grandson. I worked with Tom nearly ten years and was shocked to hear of his passing. One of the funniest guys ever and no matter how much he tried to hide it had one of the biggest hearts. Always willing to help someone in need. He will be greatly missed. Rest In Peace Tom*

“Dad, your guiding hand on my shoulder will remain with me forever, and will always be my living, breathing superhero.”

“Everything I do in my life I do to make my dad proud. I want to carry on in my dad’s footsteps and make sure that his legacy lives on forever.”

“The loss of my father will always hurt 😞 But now, everything that I do is in honor of him and celebrates his life.”

“There is no expiration date on the love between You and I and you and Keanen.

“When I was a child, all problems had ended with a single word from you. A smile from you and single look I mean look lol and I knew you meant business I was your sunshine, Keanen is your pride and joy .

You where smart, and generous, and honorable without fail. You could exile a trespasser, check my math homework, and fix the leaky bathroom sink, all before dinner. For the longest time, I thought he was invincible. Above the petty problems that plagued normal people. And now he was gone.”

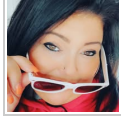

“You have been there for me, no matter what bad choices I might have made... you lovingly repaired my broken spirit, helped me plot a new course, and set me free to fly on my own once again. There is no greater love than that. You will always be special to me, and no matter where life takes me, I’ll remember you with love ❤️ Rest In Peace dad till we see each other again 😞💕💕

I am so sorry for your loss we used to be close friends you probably don't remember me. You enjoyed the blackberries at my house we went fishing a few times and you were in the next town from me and was going to call but you didn't.
