“ *Tom was my mentor and my best friend. His guidance and support always helped me in good times and bad. He was always there for any of us, all you had to do was pick up the phone. You never had to knock on his door, it was always open. The greatest honor of my life is being able to say Tom Ryerson was my friend. You will be deeply missed.*

“ Tom will always be one of the good guys in this business. Tom's ability to manage his deep deep loyalty to his Owner's and his Vendors, while keeping us all on our toes, with pencils sharp, paying attention to his needs, was a pleasure to witness. Tom's integrity was genuine

It was always a pleasure to hear his voice on the other end of the phone, you knew it was your time to make something happen for him. and you enjoyed doing it

not one to complain, we all hoped his fight with illness turned out better for him, Barbara and family

we share your loss, and wish his family the best
