“ Tony, you were one of a kind. I met you back in 1978. One of the things I remember most was you teaching me how to play the guitar. Poured a lot of concrete together for Hampton concrete, and later as partners M&S concrete floors. Traveled to Florida numerous times, a lot of very good memories hanging with you. You are no longer suffering my friend, your pain has finally subsided. Gonna miss you my friend. Say hi to Florence, Norma & Brother for me. Till next time..... RIP

Great memories of hanging out at the Souther family home when I was a teenager. Tony was my friend Norma's big brother. I especially enjoyed the times Tony would play his acoustic guitar and make up songs with verses about all of us there. RIP Tony Lee ❤️
