“ My sincere and heartfelt condolences to your family. I met Tracie several years back and she was a true inspiration, friend and helped me realize my self worth during a time that I couldn't see that myself. I have kept things in my heart to this day that she told me. I wouldn't be where I am today if I had not met her. Heaven above has gained a true Angel. I know you are at peace and are an Angel on all of your loved ones shoulders. Until we meet again one day Rest in Paradise old friend!!
