

Tracy A. Dwyer

July 12, 1962 - October 20, 2022

Epping – Tracy A. Dwyer, 60, of Epping, passed away suddenly on Thursday, October 20, 2022 with family by her side.

She was born in Gloucester, MA on July 12, 1962 the oldest daughter of the late William and Frances (Golden) Foster. Raised in Hampton, she graduated from Winnacunnet High School and went on to attend the University of New Hampshire at Durham, where she received her bachelor's degree.

Throughout her life, Tracy was a dancer. She taught for many years at NHAPA, the same school where she began dancing as a young child. While at NHAPA, Miss Tracy was a mentor and friend to all of her students.

Tracy spent her life nurturing those around her. She shared her passion for food both professionally with her own catering company, and at home, with her family and friends. As each holiday approached, Tracy could be found planning the perfect celebration for all. From Easter egg hunts in the yard, to Thanksgiving dinners for 26, Tracy was happiest when she was making others happy.

She enjoyed spending time with her many friends. Whether it was a day at the beach, time spent camping, or just connecting over a cup of coffee, these were times that Tracy cherished.

Her greatest joy was her children Dave, Amanda and Noah. She could be found cheering them on at their band concerts, dance recitals and soccer games.

Tracy is survived by her daughter, Amanda Dwyer of Medford, MA; son, Noah Dwyer of South Grafton, MA; siblings, Billie Mullen of Auburn, NH, Michael Foster of Rochester, NH, Gayle Sandusky of Eliot, ME, and David Foster of Wallingford, PA as well as 9 nieces and nephews.

In addition to her parents, she was predeceased by her son, David Foster Hill and aunt, Katherine Golden.

Tracy will greatly be missed.

“ You will always be missed May you know you were always loved by the family and everything you did for us

Tom Dwyer - October 09, 2023 at 08:14 PM

“ Dear Tracy,
I don't know what really brought me to look up your name in the obit today, But my youngest son, Austin, who truly respected David's music choice and his love of music. played David's favorite song today in the parking lot of Walgreen's this afternoon.

I firmly believe, that Dave, with whom was very close with both my sons, Craig, and Austin, found a safe haven and a warm meal, and a trusting friendship among the stresses of his on and off again romance with Racheal and step father that continued to fail him over and over.

You have always been a pillar of strength and a respected individual that I'll never forget.

I'll also never forget the strength and grace that you showed us during David's celebration of life. He will never be forgotten within my family. He was truly a part of my family.

Thank you for giving us the opportunity to cross paths. Rest in power and peace.

“ My condolences to the Dwyer/Foster family. I haven't seen Tracy in years but, have such fond memories of all of the Fosters growing up. Such a lovely family. We grew up in such a tight knit neighborhood filled with so many families with 5 or more children. We were all part of each others families. My heart breaks for your loss.
