“ *To the Bucci and Roach families Please know how sorry I am for your loss. Tracy was a lovely person and I remember her very fondly from our time at CHS. She was a bridesmaid at my wedding some 25 years ago and I appreciated that very much. I hadn't seen her in some years but I enjoyed keeping up with her via Facebook. It was clear she loved her family and her dogs and was a devoted wife Mom and friend. She was kind and friendly and she had the best smile. You are in my thoughts and prayers. Rest in peace sweet Tracy*

“ *Bill, Jordan, Paige and Olivia and Bucceri family. Just wanted to send my deepest condolences. Tracy was one of the first people to welcome me to town many years ago. I can't think of a time when she didn't have that beautiful smile on her face. I love that we could sit and chat at our girls soccer games and was privileged that she trusted me to take Olivia to games when she could not make it. Tracy I have never seen someone fight harder than you fought. I am so proud of you! I will surely miss our chats and seeing you at the soccer field. But your beautiful personality and smile will live on in your beautiful daughters. Rest in peace my dear friend.*

“ Such a wonderful person, and family, to my daughter, Saren. Thank you for bringing her into your lives. She has so many good memories of hanging out at your home. You were such an integral part of the community, and I know the town mourns the loss of a special person. Thank you for being a positive part of my daughters preteen and teen years. You will be missed, Tracy.

“ Tracy, you are one of the most selfless, loving, passionate — and one of the most protective, outspoken — people I've known. You fought this horrific disease harder than anyone. You will be missed by more people than you know. A candle is lit in your honor at our home, it's burning now. You are now joined by many of your family members and are an angel looking over us all.
