“ *I am so deeply sorry for your loss. Growing up together at the Point in Hampton Beach overlooking the marsh holds so many memories, and Travis was such a special part of those days. I'll always remember him out on the Jet Ski with my brother Billy, Timmy, and friends, living life with that adventurous spirit and unforgettable smile. Even as life took us in different directions, I treasured that Travis and I stayed in touch through the years, and I will truly miss our talks. It meant so much to see the love he had for his family, especially sharing his passion for racing with his son. I find comfort hoping Travis is reunited with Billy, catching up and smiling together in the big blue sky.” With love always Chrissy Hart (Montville)*

“ Travis, you were always a kind, fun loving and supportive guy. Your absence is loud in the hearts of those who love you. I’m glad our boys grew up together, they had a lot of good times and I had fun watching them have fun. I’d be worried, and you’d say with a big smile, “They’re fine. Look at how much fun they’re having.” Watch over us, keep us safe from any Coyote Husky Hybrids! Rest in the Gentlest Peace Trav. ❤️
