

Valerie Rose Cormier

December 24, 1980 - April 3, 2019

Seabrook – Valerie Rose Cormier, 38, of Seabrook and formerly of Raymond, died unexpectedly on April 3, 2019. She was born on December 24, 1980 in Methuen, MA, the youngest daughter of Barbara J. (Daniels) Cormier of Raymond and Mark D. Cormier of Danville.

Val grew up in Raymond, attended the local schools, and lived there until making her home in Seabrook. She was an accomplished model working in magazine, calendar, and other different modeling venues. Valerie Rose had the most energetic smile, was generous, compassionate, beautiful, and everyone who met her easily loved her.

She will be missed by her parents, husband William F. “Bill” Walsh, son Dylan P. Walsh, daughter Briana C. Walsh, of Seabrook, daughter Heather N. Walsh of Rochester, sister Amy L. Cotter, along with partner Adam Brackett of Raymond, nephew Christian J. Cotter, niece Cori Rose Cotter, many loving friends and family, and also canine friend Bella and feline friend Buddy.

Visiting hours will be from 5-8 P.M. Saturday, April 13, 2019 at the Remick & Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton. Relatives and friends are welcome.

“ *It takes a near vindictive callousness and a spoiled child's sense of aggrievement to post one's petty score settling on a memorial website intended to console and bring peace to the bereaved in the tragic wake of a loved one's untimely death. And yet on June 7th someone made the CHOICE - after citing his rigid adherence to a one-month waiting period prior to hurling insults at the departed - to show his true colors. Rather color, a near blinding yellow, since the departed (who I did not know) can no longer defend herself against a coward. My deepest condolences to those near and dear to her, most especially her grieving parents. WILLIAM P. BEKKALA*

“ I don't talk ill and facts of the passed unless it's a month later. I didn't find this page until last month. I met her on Myspace, unfortunately she was no different than any other model on the internet. When I met her she only exchanged three conversations with me, the other was ignored moments which turned into only paying attention to her audience when she wanted attention to progress her career. There were many times I wanted to talk to her yet she blatantly ignored me. There are just some moments in life where it takes certain people up when certain people care about where they want to go for the prestige rather than what they should be doing. I don't envy what she was and the portrayal considering I have higher standards at the moment. It's sad that celebrities on the internet and in reality care more about their career, which I'm betting my monthly income that this fact will be deleted.

You are a disgrace to humanity and society to write this on an obituary. You will get your karma for being a petty little person.

“ *As i sit here and think back to all the amazing times we had together I can't help but laugh. We sure did laugh alot. One of my favorite times was when we went to Florida with Mom and Joe. The car ride alone was awesome playing rummy in the back seat using the arm rest as a table and you sneaking me drags off your cigarette. We have so many memories that I'll cherish for the rest of my life. Thank you for being apart of my life Val. I'll love you forever and miss you always.*

Rest in Peace Val ❤️🌹❤️🌹

“ *They say God gifts us angels. They walk among us living. Their purpose is to teach...ours is to learn.
Val, I learned so much from you, words could never do it justice. I admire and respect you, for your love and zest for life.
You took this world by storm and left us in absolute awe and wonder.
Rest now my precious friend, for a soul so beautiful as yours, God must have big plans for you.
Always on my mind and forever in my heart.
