Greenland – Wallace Seward Berg, Sr., Lt. Col, USAF (Ret.), 98 years old, of Greenland, passed away peacefully at his home on Monday, July 31, 2023, with his Florette, his beloved wife of 60 years, at his bedside.

“ *I truly enjoyed getting to know Wally in the last year of his life as I delivered meals to him. He was able to show me how he had built their home and the pond with recirculating water. He was rightfully proud of his many accomplishments over the years. His long military service was a huge gift to our country, and I send my heartfelt sympathy to his loving wife of 50 years, Flo. God Bless! Martha Bates*

“ *My grandfather inspired me to be the man I am today. As a pilot, entrepreneur and sailor, I followed his footsteps - even living in San Diego for a few years. I have very happy memories of visits to the farm, on the Beneteau to the Shoal Islands, horseback, tractor riding, trout feeding, and exploring. He will be sorely missed! Here's a favorite picture of 4 generations of Berg men taken in 2017.*

“ I wanted to pause and express my condolences for the loss of your Husband, Father, Grand/Great-grandfather and friend. I've always loved this photo above of Wally Jr and Wally Sr taken in 2009 while we were visiting NH with our kiddos. Now they're both riding off into the sunset together and having some interesting conversations, no doubt! 🍀 Lifting up your entire family today in my thoughts and prayers. ✨

“ *Wally was the first person to welcome me to Greenland when I began working for the town. He was an asset to the town in many roles, including the Conservation Commission and serving as Health Officer. Remembrance Park will be a longstanding reminder of the love he had for Greenland and its Veterans.*
