My fondest memory (there are so many) but after Wally was finishing up the big log cabin, I just happened to be lucky enough to be visiting Wally and my friend Lenore since kindergarten Well Wally climbed up to the rafters and barefoot mind you, walked with such ease and carefree fun and pride so gratefully, skillfully as I sat in amazement! Rarely used words by me but I was awestruck. Sincerely, I hope you remember that day and all the others. Your love for each other was pure and an example of true love. He will always be with you and all. His generosity, wit, and laughter I will never forget. I love you Lenore and I will always love Walnuts memory. Peace be with you my friend. God bless and you are always in my prayers. Sincerely I remain Yours, ANN ❤️

“ To the Jenkins family,

On behalf of the Fryeburg Fish & Game Association we would like to extend our sympathies for the loss of Wally.

He was a dedicated member for many years. Attached is a picture of Wally and FF&G President Tom Budney in Tom's Sausage Shop last November when we processed my deer.

He had a great sense of humor and was a great guy. He will be missed.

“ Lenore walked up to our farm-stand a number of years ago. She was looking for a dozen eggs. She then asked me if I knew of any houses in the area for sale. I said I didn't know of any houses for sale, but I knew of a great little cottage that would be available soon. I then met Wally and as they say, the rest is history. They became neighbors and friends. Wally will be missed
