“*Brother, I will never forget the conversation that you and I had a few days before you passed..I asked if you were afraid ; you said yes- but then you said-well not really ,I'm just afraid that I won't see my sisters any more..my answer was-- but you will see your son ; mom + dad ...then you thought for a moment and said -wow I wonder if dad will look older..my answer to you was---Bub,you'll be older than dad.. You smiled and said " you're right".So I guess what I'm thinking is -- when you arrived in Heaven,your question was answered.. i'll be thinking of you every day ,and when I arrive maybe i'll be older than you and that will put a smile on your face again,, love you forever,,, your sister Darc.*

He used to let me put pony tails in his hair when I was a little girl, I would fill his whole head up with tiny elastics. He said he was letting me practice, but I always knew it was because he loved having his hair/head played with. I'll miss you Uncle Bubba D
