

Warren Alan White

December 24, 1929 - June 18, 2019

Hampton – Warren Alan White, 89, of Hampton, passed away peacefully on Tuesday, June 18, 2019 at Webster at Rye where he had been living with his beloved wife, Joyce Ann (Ramsey) White.

Warren was born on December 24, 1929 in Newark, NJ; a son of the late George C. and Ruth A. (Riddle) White. His family made Irvington, NJ their home until Warren's father's passing in 1944. He and his mother relocated to Tampa, FL and soon after, Warren enlisted in the United States Marine Corps. After four years with the Marines, he moved back to Florida and attended the University of Tampa under the GI Bill. Aviation always interested Warren, so much so that he and a couple of friends hitched to Cincinnati, OH to apply for jobs at General Electric.

Warren was hired by GE and began a long career in the aviation industry. He left GE and went to work for Pratt-Whitney in their Houston operations division, working with NASA in the design of fuel cells and rocket engines. His next moves were to Raytheon and then RCA until his retirement.

As a longtime resident of Hampton, Warren was actively involved with his community. He was member of the United Methodist Church, American Legion Post 35, and Saint James Lodge No. 102. Warren was active in the Hampton Youth Association football program, founded Boy Scout Troop 176

and was a member of the Eagle Scout Board of Review. Above all else, Warren was a loving and devoted husband and father and a friend to many. He was always positive, had a wonderful sense of humor and provided a great role model for others. He will be sadly missed.

In addition to Joyce, the love of his life for over 60 years, Warren is survived by his children, Karyn Ruth White, Craig White, Elizabeth Williamson, Chris White and Steve White. He also leaves his grandchildren, Kelsey and Jacob White, Elise and Cole Williamson, Jackson White, and Warren's brother, Donald Curtis White and family.

“ Rest in peace Dad. I can never say thank you enough for the love and the memory of you. You always knew the right blend of what was truly important and what could be laughed off in this life. I'm forever grateful you were my father. With love, respect and appreciation for all you did for me. I wish we could play another hand of cards or hear you tell another one of your signature jokes. I'm going to miss everything about you. I hope you are with your mom and dad. See you on the other side.

Love you always,
Steve White

“ *Dearest Uncle Warren, you of the intriguing Christmas toys, the written cards with your signature red hearts, you of sweet phone calls and sweets for our children, you of amazing and wild stories, you of intrigue and adventure, you of tireless devotion to country and a good laugh. You will be dearly missed. I so wish I had more time with you.*

All our love, Alecia and Joshua White Scharback and family

“ *Mr. White was a great, great and dedicated man and I only wish that I had met him when we were both younger and we could have spent more time together volunteering with the Boy Scouts. I was the Advancement Chairman for the Historic District for about a decade and as a result of serving in that position, Mr. White and I did get to spend a lot of time together (specifically with the Eagle Board) and it is that time that I will always cherish. As fellow engineers, we shared a friendly bond and a common language. It was always a pleasure to have Mr. White at the meetings.*

Mr. White, thank you for your service to your country, to your family, to your fellow and fallen veterans and to Scouting BSA. I would also like to thank Mr. White for the tremendous courteousness and class that he showed my mother when she served as an early volunteer in the 1980's in what was traditionally an all-male (including leaders) organization.

RIP Mr. White.

“ Warren always the guy you could rely on. Whether it was in scouting where he was instrumental in getting several folks in Hampton and surrounding towns involved in active leadership. Or in the annual Memorial Day parades as a member of American Legion. He was my mentor and a truly great guy, he was a veteran and proud of being a Marine. He was my friend and will be truly missed.

“ Oohrah to one of the nicest person I ever had the pleasure of calling a friend.
Never a Nov 10th will pass without you being in my memory. You will be missed by many.
RIP you certainly deserve it.
My condolences to your family

“ I am so very sorry to hear of the passing of my friend and mentor, Warren. He was a truly great man who accomplished so much in his life. As we approach the 50th anniversary of the Apollo 11 moon landing, it is fitting to remember that Warren was part of the team of engineers and scientists who made that happen! But not one to rest on his laurels, Warren was involved in so many community activities, including his church, the Boy Scouts, the American Legion, and he even renewed his real estate license recently. Mentally sharp at the end, he fought valiantly to overcome his ever increasing physical frailty.

Warren was like a father to me. He was greatly loved, and will be sorely missed.

On behalf of the men and women of the Hamptons American Legion Post 35, I would like to offer our sincerest condolences to the White family and friends.

We have lost a great man of the Greatest Generation.
