“ *My Thoughts and prayers go out to Mr. Boyles family. I have known Mr. Boyle for years from him coming through my line at Shaw's in Seabrook.... Believe me we had lots of laughs. There was so much I never knew like his time serving our Country, that he was born in Washington D.C. What I do know is he was one heck of a man, and he seemed to never forget his students. When he found out Kelly Homan was my daughter he had plenty of stories to tell about her in study hall back in the days. He always asked how Kelly was doing, and when I had to tell him Kelly had taken her own life I could see the sadness in his eyes. The reason I picked the big Teddy Bear and the heart is because he was just that a big Teddy Bear with a Big Heart... I'll See you Mr. Boyle when the Good Lord Calls me home... To Heather my friend, and the entire family you are in my prayers. God Bless*
