“ So sorry to hear of Bill's passing. Bill was a great mentor to me when I started my marine surveying career and was always there to lend his thoughts and advice when I had a question. My sincere condolences to his family at this difficult time. To Bill; fair winds and following seas and thank you from the bottom of my heart! Geordie King-

“ *So sorry to hear of Bill's passing. The only consolation being that the pain and suffering he has endured the past several months has passed and he is now at peace. A good friend and a great card player with a distinct sense of humor. You will be missed by many Bill. Our love to Rosemary and the family, Gary and Jan Fisher* ❤️

“ From John Foote to his good friend Bill:

*Sitting in a shady nook,
With a fish pole 'tween my knees,
Just doing anything I please.
Who could ask for something more,
Than to catch fish by the score.
Watch the water slowly pass,
Think I caught another bass.
That is where you'll find me now.
Ask me what I want in life?
Surely this care from strife.
If the Lord could hear my plea,
Would but lend an ear to me.
I am sure he'd grant my wish.
All I want is just to fish.
Heaven must be just like this,
For us men who like to fish.*

Now they are fishing together again.
