“ I just want to say, although Will (or as we called him Wills) is lost, he will never be truly gone. The memories we have and share, keep his love alive. I will remember my friend, my brother William Dale until it's my time to see him again.

To the "Big Guy" in the sky. Keep him safe...

I just wanted to post a memory.

I remember all the time's at Kevin Marshall's house. We use to sleep over there all the time. It was Wills, Kevin, Keith, Brian Tetralt, and me. We use to have wrestling matches in the bedroom, there was about 8 mattresses up there. We had are own little ring. The many elbow drops, body slams, and head locks we got ourselves into. I miss those days.

I was William's teacher in pre-school, and remember when he fell asleep on the bus and they found him in Hampton somewhere. I am sure he was a good person as an adult, and know he will be missed by his family and friends.
