“ *I met Bill about 1991 when I first started in financial planning. He was a wonderful source of information and ideas to a fledging planner. Our many summer outings at his home on Lake Winnisquam are treasured memories. It was always obvious how much he loved Shirley and his family. I know he will be missed by his family, his many colleagues, and all those whose lives he touched. He was a wonderful human being.*

“ May God grant you His peace! I remember the many times spent with all of you over the past eighteen years. Bill took pleasure in showing Jim and I the many beautiful towns along the coast of New Hampshire, always stopping at a wonderful restaurant! Thank God for those memories! My thoughts and prayers are with you all. Love Doris
