“ *So sorry for your loss, it's a loss for all of us. I feel blessed to have spent most of my life around him and I have so many thoughts of all the things I got to do with Billy. Hunting, fishing and just sitting in the barn telling stories. I'm sorry I couldn't be there with the family during this time. You are all in my thoughts and prayers.*

“ *So many memories that it's hard to pin point just one. Going to their home on weekends, heading to Seabrook beach, seeing him and dad heading out on the boat to go fishing, playing in the woods behind their home, seeing the incredible things Billy could build with wood. I know he'll be building incredible things in heaven. You will be missed by all who had the privilege of knowing you. Love, your sister Carol.*
